Dear Nick:

My apologies for not getting back to you sooner. Last Villages Historical Society met the evening of Mar. 13. At that time I asked the members to signify who on your list of people still are around to be of help to you regarding Lock 21. I have enclosed your list showing the three survivors who may be of some help and their phone numbers. If you wish to mail anything to them the following addresses correspond top to bottom left to right.

① 23 St. Lawrence St.
Ingleside Ont.
K0C 1M0

② ~~St~~ Santa Cruz ~~Dr~~ St.
Ingleside Ont.

③ Osnabruck Centre

My sources state that #1 was a captain on the old River and would more than likely enjoy a ~~chat~~ discussion
